CEPP MEETING #14

Monday, November 6, 2000

Present: Adam Abramowitz, Sandy Baum, Sue Bender, John Brueggeman, Pat Fehling, Pat Oles, Lary Opitz, Phil Ortiz, David Peterson

The committee approved the minutes of the November 3 meeting.

The committee approved the Biosphere 2 proposal.

We reviewed the faculty meeting discussion and agreed that the formal proposal we make to the faculty will maintain the LS2, QR, writing and breadth requirements will remain as they were in the original proposal. We agreed to compromise with the objections we have heard to the ICE proposal.

The new ICE proposal will be:

Intercultural education includes courses in

- 1) foreign languages and literature
- 2) non-western cultures
- 3) cultural diversity

All students must have complete an experience in the first category, either by taking a course in FLL or by showing competence in a language at the introductory college level.

Students who take a course in FLL must take on additional ICE course in either (2) or (3). Students who are exempt from the language requirement must take a course in any 2 of the 3 ICE categories.

Respectfully submitted,

Sandy Baum
