CAS Annual Report, 20062007

Members of CAS, 200@007: William Standish, Physics (Chair) Tillman Nechtman, History students applying to enter Skidmore on exchange and for Skidmore students seeking to study at another NSE institution. Students whose GPA is below 3.0 would be able to petitin CAS for an exception, in the same way that students seeking to study abroad can do. CAS also agreed to mirror study abroad practices relating to maturity level credit obtained by students on exchange; i.e., Skidmore will accept all maturity level credit hat has been approved by the appropriate academic department(s).

x Culture-Centered Inquiry Requirement – CAS recommended to the Committee on Education Policies and Planning that students no longer be permitted to substitute courses for the cultureatered inquiry requirement, based on their experience in not/Vestern cultures. CEPP agreed that the culture-centered inquiry requirement is much broader than the previous/Vestern requirement, and that all students, regardless of background, would bremefi taking courses that allow them to enhance their ability to engage in intercultural interacti2(d)2(e)6(n)-80uie abro ttitremrror stud be-2(e)4(r)-7(10(m)-8(i)4(a(r)3(e)n4(qui)-2(r)4(a) the committee of the committee
